General Information

Pricing

All list prices in this price book are Single Color Standard Laminate, F.O.B. our factory, and are subject to change without notice. "Single Color" is the use of one laminate color only throughout the quoted piece. "Standard Laminate" meets three criteria: 1) It is one of the four major brands of high pressure laminate. 2) It has a starting grade finish. 3) It is stocked at a local distributor. The use of two or more laminates, and/or the use of non-standard laminates, will increase the list price quoted. Prices do not include shipping or cartoning, which are considered additional charges. Any special quotation or pricing must accompany the written purchase order.

Terms

Upon approved credit, payment terms are 2% - 10 net 30. Unpaid balances over 30 days are subject to a service charge of 1-1/2% per month. All orders are invoiced upon completion. All new customers are required to provide a 50% deposit with the order and the balance payable on a C.O.D. basis. A credit application will be provided upon request.

Order Procedure

All orders must be received in writing specifying all necessary information, i.e., model number, edge detail and finish. All orders with missing information will be put on hold until all applicable information is received. Lead time may be extended. All orders will receive an acknowledgement by email. It is the customers responsibility to review the acknowledgement and inform Action Laminates within 24 to 48 hours of any errors or omissions. Acknowledgements act as the final agreement between the customer and Action Laminates superseding all previous communications.

Changes and Cancellation

Action Laminates must approve change orders and cancellation requests. Authorized change orders will be subject to adjustments in price and lead-time. To change or cancel standard orders, Action Laminates will, at its discretion, levy a restocking charge of 25% or the total costs incurred. Custom projects requiring special materials cannot be changed or cancelled.

Returns

No product may be returned without prior approval by an authorized agent of Action Laminates. Unauthorized returns will be refused.

Shipping

Customers may select any carrier of their choice. It is the responsibility of the carrier to inspect all furniture prior to loading . The responsibility of Action Laminates ceases once the shipment is loaded and signed for by the carrier. Signing for the shipment is acknowledgment that it was received in good condition.

Quick Ship

Rush orders with a 20% up charge are available on a case by case basis. The production schedule and availability of materials are the determining factors. All rush orders need approval from the factory.

Warranty

Action Laminates warrants its products to be free of defects in materials and workmanship for a period of five years from the date of invoice. The obligation during the warranty period is limited to the repair, or at its option, the replacement of products deemed to be defective by Action Laminates. This warranty does not apply to damage in transit or damage occasioned by the customer.

Storage Charge

From the date of invoice, a 2-week grace period is allowed to pick up product. After 2 weeks, a monthly storage charge will be assessed at a minimum of $75.00 per month or 5% of the total order amount, whichever is higher.
